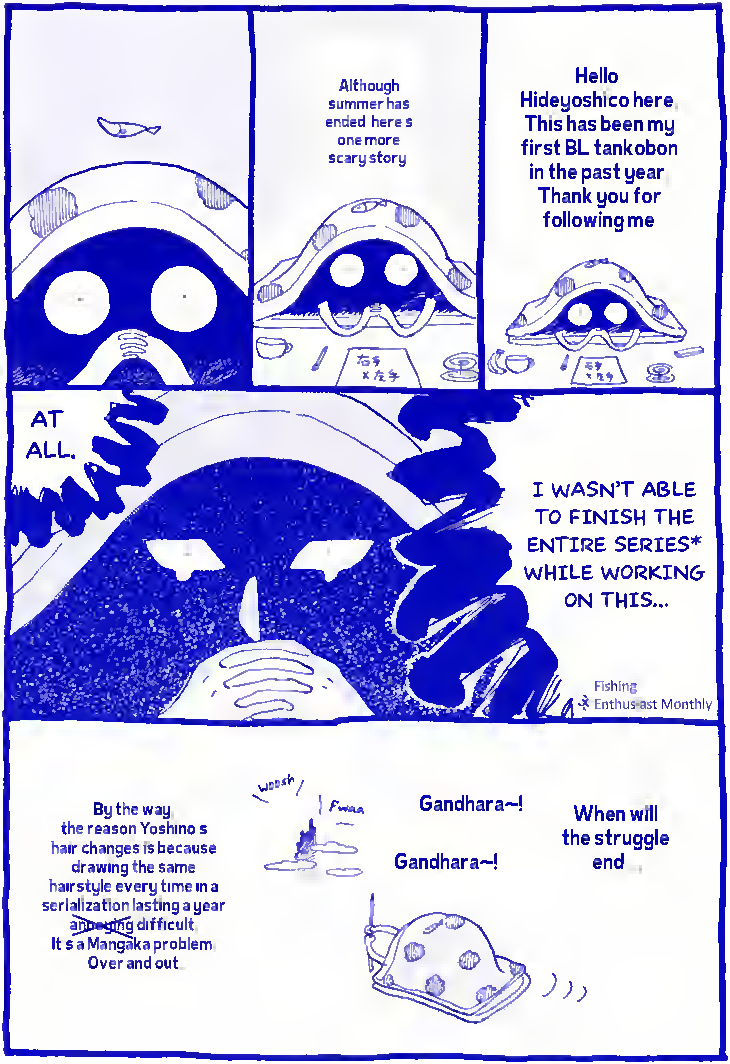
A simple salary-man's stalker is a handsome perverted prince?!

Takase is a simple, normal salaryman. But now his 24-hour stalker has appeared! And it turns out it's his classmate from high school who used to bully him, Yoshino! Aware of his true identity, Takase explodes in rage, and Yoshino gets on his knees and confesses "I love you" to him?!

TL Note: It's traditional to tell ghost stories during the summer in Japan



Although summer has ended here's one more scary story
Hello Hideyoshico here. This has been my first BL tankobon in the past year. Thank you for following me
AT ALL.
I WASN'T ABLE TO FINISH THE ENTIRE SERIES* WHILE WORKING ON THIS...
Fishing Enthusiast Monthly
By the way, the reason Yoshino's hair changes is because drawing the same hairstyle every time in a serialization lasting a year and a half is difficult. It's a Mangaka problem. Over and out.

When will the struggle end...

He dusts whenever he feels like it.

DON'T GET AHEAD OF YOURSELF.
